

Applicants hereby elect to prosecute the invention of Group IX along with PRO 71061 (SEQ ID NO: 1).

REMARKS

Applicants respectfully point out that the Restriction Requirement mistakenly noted Claims 1-30, when only 29 Claims were identified. Thus, Groups as noted above in the instant Election represent the correct numbering for the Claims.

Applicants reserve their rights to file divisional applications for the non-elected claims, as well as any other matter disclosed in the present application which is not encompassed by the elected claims.

Conclusion:

Applicants respectfully request that the above-made election and remarks be made of record in the file history of the instant application.

No fee is believed to be due for the submission of this response. Should any fees be required, however, please charge such fees to Genentech, Inc.'s Deposit Account No. 07-0630.

Respectfully submitted,
